Type: Email | Created: 2026-06-18 | Last modified: 2026-06-18 | Owner: Bart Willems

Hi team, Norvik accounts payable rejected invoice INV-2026-0412 because the VAT number printed on it was BE 0456.789.132.

The correct VAT number of Norvik Engineering NV is BE 0456.789.123, as in the master record.

Please reissue the invoice with the correct VAT number by Friday.

Regards, Bart
